Sam Winters

Principal

Welcome back to school. I hope there were lots of books read in the holidays.

Premier's Reading Challenge forms are coming in, in bigger numbers now and very soon I will have our Premier's reading challenge honour board up in the Library Foyer.

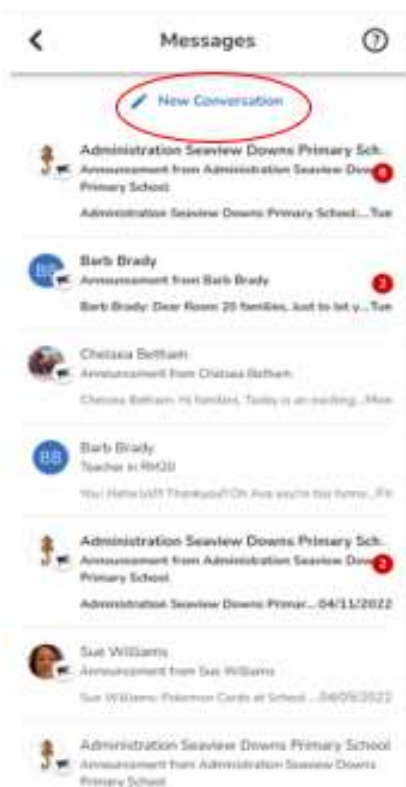

I would love to have everyone's name, photo and a star on the photo to show what stars you all are for completing your Premier's Reading Challenge this year.

Reporting Absences through Seesaw

The school has recently begun using Seesaw as our main communication platform, and our use of Skoolbag will soon come to an end. For submitting information on student absences, please use the Seesaw app and send Administration a message. Open the Seesaw App and click on the 'messages' icon, then select New Conversation from the top of the list. Type in "Administration", then add your message and send. Please include your child's name, room number, reason and duration of absence.

School Photo Day is: **Friday 10th June**

Have your child's school memories captured forever

Please take time to read the relevant information on the MSP Photography payment envelopes and remember these helpful points:

- Don't seal envelopes inside each other. You can pay for all children in one envelope however each child needs to have their own envelope on photo day
- Family envelopes are available at the school office upon *request and need to be ordered before or on photography day*. Please make your children aware they are having a family photo.
- Please enclose correct money as no change is given. Cash, cheques, credit card and money orders accepted.

Why not give ONLINE ORDERING a go!!
It's the safest & easiest way to order

Should you have any queries, please don't hesitate to contact us.

Lunchtime Legends

Every lunchtime, teachers on yard duty are on the lookout for students going the extra mile and being truly outstanding helpers. Whether it be helping to clean up the yard or being extra welcoming to a new face, each one of these lunchtime legends have earned a nomination as a result of doing something awesome.

The following students have been recognized as being Lunchtime Legends:

- | | |
|----------------|----------|
| • Charlie W x4 | • Ava P |
| • Liam F x5 | • Liam H |
| • Axel W x2 | • Rubi C |
| • Matilda C x4 | |

For each nomination, a student earns a ticket, to be placed in our barrel and drawn out (normally at assemblies). Each nomination goes in the draw and the winner gets a free Frozen Mini Milk from the canteen! The names have now been drawn, and the winner of this week's lunchtime legend is:

- Charlie W

CONGRATULATIONS AND THANK YOU! KEEP UP THE GREAT WORK!

Thank you making the effort to keep our school yard clean 😊

eSafety Webinars for Parents and Carers

Safety on the web is a discussion I have with many parents, carers and students. Keeping children safe online is an area which all parents and carers are concerned, but only a very few feel they have the knowledge and skill-set to properly monitor it. Adults often feel out of touch or out of their depth. During May and June, eSafety.gov.au are running free webinars for parents. **The first webinar running in May is - eSafety's guide to parental controls.** This webinar will look at how parents and carers can set up devices and apps to help keep young people safer online.

Audience: parents and carers of children aged 4-13

The webinar will cover:

- The benefits and limitations of parental controls
- How to set up iOS and Android devices for safety
- How to set up popular games and apps like YouTube and Roblox for safety
- Using family tech agreements and other parenting strategies to manage online risks
- How eSafety can help when things go wrong

When the webinars run:

- 1- Thursday 19th May 12:00pm – 1:00pm ACST
- 2- Tuesday 31st May 12:00pm – 1:00pm ACST

The students spent Term 1 looking at Popart and famous artists such as: Andy Warhol and Roy Lichtenstein. The students spent many weeks planning their artwork and then proceeded to create their own pop art based on one of those artists styles. The students used popular images or people of the time.

Room 3

The students in Room 3 researched and learned about various communities that can help with mental health. They proceeded to create a poster based on of those mental health associations.

Health

For term 2 we are doing a rock and roll theme. The students connected fractions with a famous rock band name. They created a number line and worked out the fraction of vowels and consonants.
