Families

Dear Families,

Mid-year progress reports

Next week student mid-year student progress reports will be sent home via hard copy on Wednesday the 6th of July with each learner. Copies are kept digitally and can be emailed to families following the distribution of hard copies. If you wish to speak with your child's teacher about the report, please contact them early in term 3 to organise a time. The report outlines your child's progress against the year level achievement standards – and reflects their growth to this point in time, with the components of each standard covered.

Notes and Communications

Next term classes will be heading off to camps and out to excursions - please be vigilant with notices from the school.

Facilities Update

We now have a newly updated southern boundary fence at our school with a taller catching net adjacent to the ground's storage shed to stop cricket balls and footballs striking our neighbours.

Next Week the tenderers for the school upgrade will be on site for a briefing about the replacement of our school buildings – the first step since last year's funding announcement.

Reporting Absences through Seesaw

The school has recently begun using Seesaw as our main communication platform, and our use of Skoolbag will soon come to an end. For submitting information on student absences, please use the Seesaw app and send Administration a message. Open the Seesaw App and click on the 'messages' icon, then select New Conversation from the top of the list. Type in "Administration", then add your message and send. Please include your child's name, room number, reason and duration of absence.

School Photos update

We are expecting the delivery and subsequent distribution of the MSP School Photos for 2022 early in Term 3.

SDPS History Archives

Our choir coordinator Gay Wood has compiled a vast amount of information on the history of Seaview Downs Primary School, from historical events and the various development stages of the school to students' firsthand experiences and commentary about school life dating back to the 1960's. We will be sharing snippets of this information in our newsletters:

In 1964, an 11-acre site in Seaview Downs was purchased for a Primary School at an estimated cost of \$211,000. On the 11th of February 1969, SDPS opened with an enrolment of 175 students and 8 teachers. The Seahorse was chosen as the emblem for the school after a competition by the students – the image to the left is what it originally looked like.

Student comments:

"I remember the first day of the opening of the school. I lived down the road, so I always walked to school like everyone did in those days. The school oval at the back was open to us, and I remember running up the slope and being one of the first on the oval. The day was hot and there was not a blade of grass on it, just dirt and cracks everywhere. I remember picking up sheets of steel and looking for lizards and snakes. Later we picked up stack of steel and started playing war games. That's when things went a little pear shaped as one of the boys stuck a stake in my foot. So, I think I was the first to come off the oval with a piece of steel jutting out of my foot. Got to be in it to win it!"

A huge THANK YOU to those Heart Heroes who have both logged their skipping minutes and raised important funds for the Heart Foundation of Australia. The final day for fundraising will be Friday July 8th.

School Sport Message:

Hi families, of late there have been several SDPS school sport players not attending matches. It is paramount that your child attends all matches unless they are ill or away. Please allow the coach enough time to find a replacement player if your child is unavailable. Over the past few weeks, we have had to play short in Soccer, Volleyball and Basketball. The flow on effect has resulted in uneven player numbers and in some cases, we have had to forfeit matches. Please be considerate of both teammates and opposing teams who arrive for their scheduled match, as they are directly impacted. On the flip side, THANK YOU, to those families who help make school sport possible. Thank you to those parents volunteering to coach, those parents who run training sessions, that cook the BBQ, that carpool that step in and umpire, that assist the coaches at training, that send out communications to families, that wash the dirty uniforms, that cut the oranges, that support their kids in doing what they love even if it means waking up early and braving the winter weather. There is a lot of good things that we as a community have built and continue to build on at SDPS. Let's keep working together in a way that we can't as individuals to make School Sport great.

P.E. Coordinator

This year's theme for book week is, drum roll please:

"DREAMING WITH EYES OPEN"

I take this to mean what happens when we read, our imaginations provide the illustrations or dreams!

Or; it could mean how we imagine our life in the future to be.

Dressing up for this theme is wide open. We could dress up as someone we would like to be, in the future or something we would have liked to have been (for the adults!)

Props may be essential for some dress ups.

Or, we could dress up as a book character, how we dream they would dress.

Dress up day is THURSDAY 25TH AUGUST, WEEK 5, TERM 3.

In week 10 Term 3 we have **Dr. Cameron Stelzer** visiting us on Wednesday 21st of September.

A consent form will be sent out mid next term for this in school event.

The Premier's Reading Challenge is still in progress with reading needing to be completed by September 9th and forms given to Mrs. Ellison as soon as possible. Also please see the Community Notices section at the end of this newsletter on how to vote for the PRC Poster for 2023!

We have been learning how to write an animal report.

We used the internet to search for information about an animal from the country we are studying in Geography.

We then created a QR Code to share our reports with you.

Did you know QR code
stands for
