Families

Semester 1 (Mid-Year) Reports

Mid-year reports which reflect your child's achievement against their year level standard as outlined in the Australian Curriculum will be issued to families next Wednesday the 5th July. These reports will be issued to parents via their preferred (as known to us) email address and available through the Sentral app.

As a progress towards end of year level standard, please remember to speak with your child's teacher about the report if you are seeking clarification about the information within it.

Student use of mobile phones and personal devices Policy – endorsed ready for beginning Term 3

The Governing Council have endorsed the above-mentioned policy. The policy will be available for families to read/download at our school website under the About us/ Policies and Information page.

Canteen – 8 a.m. ordering deadline, and some new food items will be arriving on them menu in term 3.

To ensure food service can be managed appropriately with volunteers, a food order cut off at 8 a.m. each open day beginning next week will occur.

The school is supporting the morning organisation by allocating a staff member who will be printing numbers of orders and filling warmers with food for the day. An 8 a.m. cut off ensures the canteen prep is finished before the staff member supports in classes. This is not negotiable as we ensure canteen service can continue for the remainder of this year in its current form.

Food orders for Wednesdays or Fridays can occur at any time – the night before, a week ahead etc.

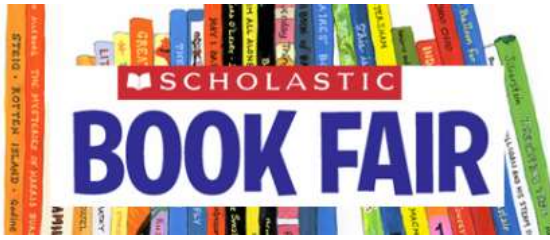

New food items, including rice and chicken options will be on the menu at the beginning of next term.

Next term is a busy one! Please note these exciting upcoming events.

Week 2 - Book Fair

For the first time since 2015, we will be hosting a Scholastic Book Fair! A Book Fair is an exciting event that engages children and promotes literacy, by offering students a fun opportunity for children to see, touch and connect with books they want to read. Scholastic send us a large range of popular and affordable books, from over 50 publishers worldwide to suit every reading level and interest, and these books are available for students to purchase.

This event will take place over 4 days. On the first 2 days there is no purchasing, and students will have the opportunity to view the available books with their classes and create a “Wish List” to take home to discuss their requests with parents. The Book Fair will be open for sales on Monday 7th and Tuesday 8th of August at lunch time and before and after school at 8:30-9:00am and 3-3:30pm. More information to come!

Week 3 - Book Week Dress Up Day

Our annual Book Week Dress Up Day will take place on Thursday 10th August, (week 3).

This year’s theme is Read, Grow, Inspire. We are all looking forward to seeing your amazing costume creations at the parade! Book Week celebrates books and Australian children’s authors and illustrators. The shortlist finalists for the best of the best in the top 6 categories can be found here [CBCA](#). There are some excellent reads in this year’s nominees.

Week 4 - Book Week Special Event - “Way Too Cool” Performance

To celebrate this year’s Book Week, we will be having an incursion of a theatrical performance based on the content of this year’s Shortlisted books (tip: the more you read of the CBCA Shortlisted books, the more characters you’ll recognize in the show!) Tickets will be priced at \$5.00 per child, consent forms and payment information will be distributed next term.

Fundraising update

Thank you to those that attended our Bogan Bingo and Silent Auction night on the 24th of June. It was a hilarious night attended by 123 dressed up community members. Next event - Friday 7th July (last day of term) celebrates 100 days of school for the year. On this day we will be dressing up like 100-year-olds. Please send a gold coin donation with your child. This money will be going towards supporting Peter Elisha who lives in Tanzania and is the schools Sponsor Child.

Science in Room 13

Our class has been exploring Chemical Science. We have participated in lots of hands-on experiments and used our senses to learn about reversible and irreversible change as well as chemical and physical changes.

Did you know that uncooked spaghetti is much stronger than cooked spaghetti? Cooking it creates an irreversible change.

Did you know that popping popcorn is a physical change? Popped corn looks, smells, feels, and tastes different to uncooked kernels.

Our Star Bear Program

Established in 1999 and operated by the AnglicareSA team since 2002, our Star Bear program looks to increase children's understanding of death and the grieving process.

We believe that it's okay to cry, but it's also okay to have fun and laugh.

And that's why our program of loss and grief support is all about you, sharing your experiences with other children in similar situations - and listening to theirs - in a safe, supportive and inclusive environment.

As one young person told us:

"I knew I wasn't the only one that lost a parent, but I hadn't met anyone else who had, not before camp."

Loss and grief support

Our Star Bear program provides a range of services and activities for both children and their parents, among them:

Grief camps

We offer a selection of free weekend camps for children, young people and their families grieving the death of a parent, sibling or other significant person.

The camps are led by qualified and experienced grief counsellors and supported by trained volunteer mentors.

Before each camp, we host a get-together to give participants a chance to meet and get to know a little about each other.

Camp participants can access short term counselling prior to and following the camp.

We offer two camps:

- the children's camp provides grief support to those aged from six to 13 years
- the family camp caters for families with children and young people aged from four to 17 years and who have lost a close family member.

How to register

To find out more about our Star Bear program and camps, please call our team on 8131 3400.
