With the Single Entry Intake Policy, schools now need to have proof of children's date of birth. This can be provided via your child's Birth Certificate, Passport or Centrelink/other official government documentation stating your child's name and date of birth.

Under the Education and Children's Services Act 2019 (SA) schools are also required to have confirmation of a student's primary residential address.

If you own your residence -

- a copy of the contract of sale or recent council rates notice and
- a recent gas or electrical bill

If you are renting your residence –

- a rental agreement that covers the first 12 months at the school and
- a bond receipt lodged with Consumer and Business Services and
- a recent gas or electricity bill for the property

We also ask that you provide a copy of any court orders, relevant visa's and any medical or health care plans.

When returning the enrolment form, please bring in the original documents so that we can sight them and make a copy that will be kept in the students file.

Thank you in advance for your co-operation in this matter.

Regards.

INFORMATION SHARING STATEMENT

There are situations when the Department for Education might need to share information externally. - disclosure is authorised or required by law
- it's unsafe or impossible to gain consent or consent has been refused
- not sharing the information will result in increased risk of serious harm to someone.

Your school may share information about your child's personal needs with specialised department staff, including Student Support Services. This is to help your school provide an appropriate education program and make teaching and learning adjustments for your child if needed.

Your school may also use the information you provide when applying for specialist resources, services or funding to support your child's education. The school will seek your consent before making any formal referrals for additional support.

The aim of information sharing under the ISG is to protect and promote the safety and wellbeing of children, young people and their families. We work with you and other agencies/services to achieve this aim. We strongly encourage you to share all relevant information about your child that can help them enjoy and benefit from education. You can do this by:
