

SEAVIEW DOWNS OSHC
DECEMBER / JANUARY VACATION CARE
2024 / 2025

Opening times:

Monday to Friday 6:45am - 6:15pm

Cost:

\$49.00 p/day p/child for in house days - less the childcare subsidy \$56.00 per day per child for excursions - less the childcare subsidy.

Bookings:

Bookings will be available from week 4 when approved by Governing Council.

Cancellations:

We have a 14 day cancellation policy at full charge. If a sick certificate is provided there will be no charge.

Childcare Subsidies:

If you haven't already, please claim for CCS before the holidays. It can take up to 4 weeks for Centrelink to approve CCS claims. Your entitlements will include eligible hours that will receive the subsidy. Anything over these hours does not receive the subsidy. Our sessions are 11.5 hours long. CCS is the responsibility of the family to organise, if CCS is not established, full fees are payable by families.

Ceased Child Care Subsidy:

Many families who use OSHC intermittently experience having their CCS ceased due to non-attendance. If a child does not use OSHC for 14 weeks in a row, the CCS is automatically ceased by Centrelink. Furthermore, if a child is absent for their last session prior to this 14 weeks Centrelink will recover the CCS paid for that session. The next time you attend OSHC you will have a prompt from MyGov asking you to confirm their attendance at OSHC and the CCS will be applied to the account again.

Excursions:

Children MUST arrive at OSHC 30 minutes prior to departure. Please be considerate to OSHC staff by arriving on time. Important information including safety is discussed before we leave. A smooth departure is essential. If a child has not arrived, we will endeavor to contact families, but we will not delay the group departing.

Medical Plan:

If your child has a medical condition, you will need to provide medication(s) along with the relevant completed action plan before your child can attend. Medication must be in the original packaging, clearly labelled with the child's name. The packaging must also clearly state the dosage and be within the expiry date. Additionally, you must complete a medication consent form filled out at your centre. Please note that without clearly labelled medication and consent form, children will be unable to attend the holiday program. Please allow time to process this when enrolling and booking.

Extreme Weather:

While it is hoped that all planned activities will go ahead, the program may change at short notice and families and caregivers will be notified. If it is forecasted to be 36°C or above, or there will be heavy rainfall, storms or fire hazards, excursions / activities may be cancelled. The wellbeing of our children is our top priority.

Risk Assessments:

A thorough risk assessment of each excursion is carried out. Appropriate child / staff ratios are set and strategies to maintain safety are developed and implemented. Risk assessments are available by the sign in desk.

Permission Forms:

Permission forms need to be signed before the OSHC excursion. These are also available by the sign in desk.

Sun Policy, Hats and Clothing:

OSHC hats are compulsory for excursions, therefore hats will be needed each day during Vacation Care. When the UV index is above 3, sunscreen is applied as close to two hour intervals as possible when children are outside. Spare hats are available, but we encourage children who frequently attend OSHC to have their own. To support our children in making sun safe choices during days when UV index is above 3, please consider sending your children with tops with sleeves and collars and longer length shorts to protect them from the sun.

Food Policy:

Please ensure your child has adequate food and water for the day. Unless otherwise stated in the program, OSHC does not provide recess or lunch. Breakfast is provided until 8:00am. Due to health needs in our local community, we do not allow any nuts or nut products to be brought to or consumed at our service. We also serve afternoon tea. Times vary depending on arrival back from excursion.

Children's Voice:

This program has been developed with the help of the children. You'll notice children's suggestions are added on the program.

Water Excursions:

Risk assessments and ratios are highly considered for our water activities. It is important for children to wear hats and rashies when attending water excursions.

Behaviour Guidance:

High levels of appropriate behaviour are necessary otherwise suspension from OSHC may be considered including excursions.
